Hello Kevin: I faxed an 8 pg document that has a signed cover letter by Greg Schweer accompanied by the signed Determination Document. You have already received the signed and dated Det Doc (dated 2/28/2019). You are now receiving the cover letter today (signed and dated 3/11/2019). It was faxed at 781 599 9565.

Our protocol says that we have to send submitters both the signed and dated cover letter by Greg Schweer and the Det Doc together so that is why you're getting the Det Doc again.

In a couple of weeks, the Det Doc for P-18-0169 will be on the website: <https://www.epa.gov/reviewing-new-chemicals-under-toxic-substances-control-act-tsca/chemicals-determined-not-likely>

Thank you for sending the nice note to Greg Schweer. I'm just doing my job, and I'm glad that you appreciated and valued my efforts and work on your case. I enjoyed working with you as well and hope you and I can work together again!!

Sincerely,
Alie Muneer
